## *Salt Dough Fish*

Jesus made bread and fish for his friends' breakfast. You can have lots of fun making your own fish decoration out of salt dough. Here's a recipe to make salt dough.

Simply mix together 1 cup of salt, 1 cup of plain flour and half a cup of water. When you have mixed it up kneed it into a dough.

Then shape and mould your dough into fish. Add a hole if you want to hang it up later and then bake at 100 degrees C (roughly 200 or so F) for 2 hours (ish- or until the dough is hard and looks a bit like a biscuit.)

You can then paint your fish or find a stick or a wooden spoon and hand them up as a decoration. Have fun!!

Print "The Big Catch of Fish" from Mouse Make Studio- **(it's on a separate PDF )** and follow the instructions to make this fab mobile or colour in and count the fish in the colouring page.
