

## Sunday Kids!

**SUNDAY 12th July 2020**

### **STORIES OF HOPE. HEBREWS 6:13-20**

**PUZZLE:** The bible is full of stories of hope. Find the characters from some of these “hopeless to hopeful “ stories and complete the wordsearch on page 2. Why not find one of the characters from the list and read their story of hope in your bible. My favourite is the story of Ruth ;)

**CREATE:** Create your own “anchor of hope” decoration to remind you of today’s bible passage in the book of Hebrews. Follow the instructions on page 3. Print out the template on page 4 or have a go at drawing your own anchor– it’s not as tricky as you might think.

**COLOUR:** Print out the colouring in page (by Michal Saunders Pleasant View Press ) and use your favourite colours to complete the picture. See if you can learn this bible verse while you are colouring and then display it where everyone else at home can see it and learn it too.

## Anchor of Hope Decoration

1. If you have a printer, print out the anchor template (see next page) onto card or paper. (I used 2 different colours and then glued them together– took a bit longer but looks cool! ) If you don't have a printer , carefully copy the anchor from the instructions (ignore the rope bit!)

2. Then, very carefully, cut out the anchor, just to the right of the black outline. You might need help from your grown-up with the little circle at the top.

3. Next, Cut 5 strips of paper (roughly 13cm x1cm) and use them to make a paper chain. I used scraps of coloured paper– but just use what you have. If you feeling super creative– you can decorate the strips before you make the chain. Just before you glue the last loop thread it through the hole on the anchor so the two pieces are attached.

2. Now it's time for the fun bit– decorate one side of the anchor with the words “Jesus is my anchor” and then put “Hope” and “Hebrews 6:18” on the other side. Use mine as a starting point but be as creative and original as you can so it's totally unique!!!

3. When you are done, hang your amazing anchor decoration somewhere everyone can see it to remind you about today's message.
