**SUNDAY 6th SEPTEMBER 2020**

### **LESSONS FROM COVID #1: WE ARE SO MUCH MORE THAN OURSELVES**

**MAKE.** The Bible describes the Church as being like a body with many different parts. When all the separate parts work together the body can do amazing things. In the same way, when everybody in the church works together, we can do amazing things too! As a reminder of today's message– make your own “body”. You can add details, such as a face, hair, clothes , shoes and make it really colourful with your favourite colours.

**DOT TO DOT:** Print out and complete the dot to dot puzzle on page 3. Imagine that you are one of the “dots” and your friends from church are the other “dots”. When we all get together we can be a big family and look after each other.

**COLOUR.** Print out the colouring in page (from <http://www.supercoloring.com/coloring-pages/cain-and-abel-the-way-of-sacrifice>) If you don't have a printer you can colour it on line– just follow the link. which is based on the bible story Genesis 4: 1-16 . Colour it in and then display it somewhere as a reminder of the message that we ARE our “brother's keeper” which means we need to care for those around us.

## One Body Many Parts

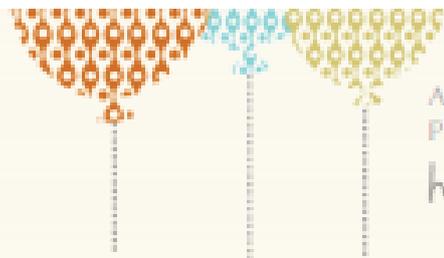

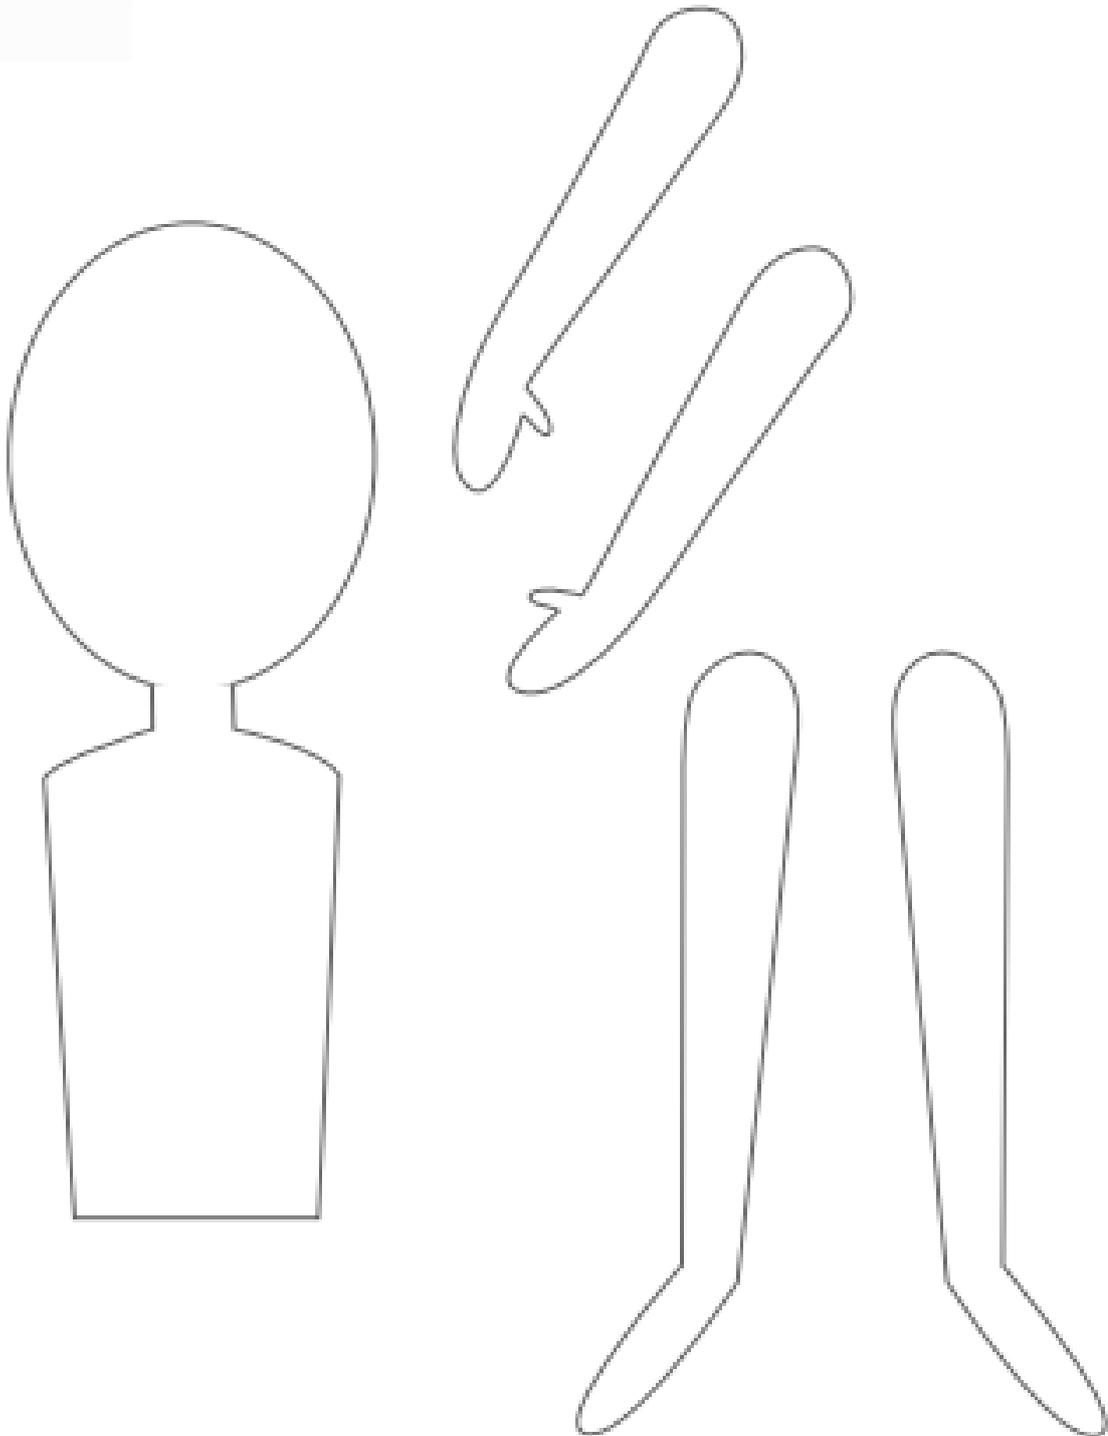

Colour in the "body parts". Add details, such as a face, hair, clothes, shoes and make it really colourful with your favourite colours.

Cut it out very carefully.

Use 4 split pins to attach the arms and legs. (If you don't have them simply glue the arms and legs in place.)
