SUNDAY 4th October 2020

DISCIPLESHIP

In the month of October we will be looking at the theme of Discipleship. This week will hear look at the story of when Jesus first selected his Disciples, and he asked them to give up all they had to follow him. This was a big ask however the disciples obeyed Jesus and followed him.

MAKE: Have a go at making the Sharing and Caring Envelopes. You can use anything that you have to decorate them and make out the notes to perhaps your school friends or neighbours in your street. Jesus and his disciples spent a lot of time sharing good news and speaking about the care that is shown to us when we learn to follow him. By making the envelopes this will allow us to remember to share and care for those around us just as the disciples did. There is also a Tic-Tac-Toe game for you to make and share with your family and friends.

COLOUR: Print out the colouring in page and use it to remind you of the names of the Disciples that Jesus asked to follow him.

COMPLETE: Complete the words search to remind you of the story of Jesus and his disciples. Some of the words in the words search describe some of the traits of the disciples.
