WORSHIP

COLOUR. In the talk today we were thinking about worship. Colour in the page 2 and ask those in your household about their favourite worship song and maybe sing it together whilst you colour in

MAKE. Follow the instructions on page 3 to create a paper plate

Tambourine . When it's finished why not use it to join in each time you join us form our worship live stream.

ACTIVITY: Worship isn't just about singing, Worship is about how we live our lives, treat one another and the choices we make. Our lives should be worship to God. On page 4 is an acts of kindness chart you can print and fill in each time anyone in your family/household does something kind, loving and worship like. Have fun finding creative ways to worship God in your everyday.

Create a caterpillar

You will need: 2 paper plates, rice or beads, a stapler and decorating bits and bobs

Paper plate tambourine

1. Take 2 paper plates and staple them 2 thirds of the way closed. Then add some rice or beads to help your tambourine make noise.
2. Next, seal the plates together and decorate the outside with stickers, ribbon, glitter or go crazy with colour?
3. Use your tambourines in worship to help make a joyful noise to the lord!

You're all done! If you want to, you can make shaker bottles or tambourines with different fillings and make your own worship band at home !
