### **PAUL PREACHES THE GOOD NEWS. ACTS 28: 23-30**

Paul told many, many people the “Good News”- that Jesus loves us. We can share this good news too- with our friends and family. Imagine if everyone knew that Jesus loves them- that really would be “Good news!!”

**DESIGN:** Imagine if some of the “good news” stories in the bible made the newspaper headlines. Which bible stories might have these headlines : “Man overboard has a Whale of a Time!” or “ Man from Canaan: Dreams Do Come True!” or “Stable Condition: Baby Boy Born in Bethlehem.” Choose your own favourite “good news” bible story and make it a newspaper story- good enough for the front page!! Create a headline (short and snappy with alliteration to make it really memorable if you can) You can add pictures and don't forget to include your name as the reporter! Print out the template if you can or design your own layout.

**CREATE:** Create your own newspaper “paper chain people” as a reminder to share the “good news” of Jesus' love for everyone. See the instructions on page 3.

# Share the Good News!!! Newspaper People Chain

Create your own Newspaper Paper Chain People as a reminder to share the “good news” of Jesus’ love for everyone.

## You will need:

- A piece of newspaper (or plain paper if you don't have newspaper)
- Scissors
- Felt tip pens/crayons

Cut a strip of paper about 10 cm high and as long as you like. (The longer the strip, the more people you will end up with.)

Fold the strip of paper accordion style, making each panel about 6cm or so wide

draw a figure on the top panel making sure that parts of the body (hands, feet etc) touch the sides of the panel. Copy

Cut around the figure but don't cut along the folds where the parts of the body touch.

Unfold the chain of dolls and then decorate. I drew smiley faces on my paper people and wrote GOOD NEWS across their bodies.
