SUNDAY 6th December 2020

“PRESENCE/PRESENTS”

CREATE: This craft is another decoration for our Christmas trees. This week we are making a present. As you create it, talk about what it means to have God's presence at Christmas time.

PUZZLE: On page 3 you will find the words “Presence” and “Presents”. Take it in turns to see how many words you can make out of them in a minute.

ACTIVITY: We challenge you to take the presence of God to your neighbours, family or friends this week. Maybe deliver some goodies or write an encouraging message in a card.

Present Tree Decoration

This craft allows us to think about the presence of God at Christmas time.

You will need: coloured paper, string or ribbon, glue and scissors

Take your coloured paper and cut out a square and a bow shape.

Then cut three pieces of string/ribbon. 1 long and 2 short

Glue your two shorter pieces of string/ribbon in a cross shape to your coloured square.

Pierce a hole into the top of your square and thread through you left over piece of string/ribbon. Knot it ready for hanging up.

Finally, glue on your bow shape to the top of your square and you have completed your present decoration.
