

Hebrews 4:14-5:10

Did you learn anything new today?

Have you ever found yourself wishing something wasn't
in the Bible? Which bits?

Jesus sacrifice grants forgiveness of sins, removal of
sins, and freedom from sins. What does that mean to
you?

Does it comfort you to know that Jesus experienced the
same kinds of temptations that trouble you?

How do you feel about shouting at God, blaming him, or
getting angry with him?
